

The Cross Transformed

The Lent Cross was made from the Church Christmas Tree. Each Sunday in Lent a symbol of the last week of Jesus' earthly life – bread and wine, a bowl and towel, a purple robe and crown of thorns-was placed on the cross

In this way we were reminded of the birth and earthly life of Jesus.

On Easter Day the symbols of suffering were removed and the cross was decorated by flowers which had been brought by members of the congregation.

The cross was transformed from a cross of suffering and pain to a cross of joy and triumph.

At Easter we give thanks that Jesus died for us on the cross and that he rose again in glory.

Through his suffering on the cross we know Jesus accompanies us even through the bleakest, most painful times in our lives

We celebrate that the power of Jesus' resurrection promises life in all its fullness now and for all eternity.
